Security Council Committee established pursuant to resolution 1737 (2006)

Note verbale dated 20 September 2007 from the Permanent Mission of the Niger to the United Nations addressed to the Chairman of the Committee

The Permanent Mission of the Republic of the Niger to the United Nations presents its compliments to the United Nations Secretariat and, with reference to its note verbale of 19 July 2007, has the honour to inform it that, pursuant to the provisions of resolutions 1737 (2006) and 1747 (2007), the competent services of the Ministry of the Interior, Public Security and Decentralization have put mechanisms in place, including a special file. The file offers a means of identifying and monitoring the movements of nationals of countries in conflict or post-conflict situations, countries sheltering terrorist or subversive organizations and countries that have been the subject of measures taken by the Security Council.

With regard to the persons listed in the annex to the aforementioned resolutions, investigations have revealed nothing.

However, specific measures have been taken and notified to all checkpoints in order to identify such persons and, if need be, question them in the event of their attempting to cross the borders of the Niger.
